

CAP MR/DD Service Definition

Title: Transportation

Service Definition:

Transportation is a service offered to enable individuals served through the waiver to gain access to waiver and other community services, activities and resources, specified by the Person centered plan. This service is offered in addition to medical transportation required under 42 CFR 431.53 and transportation services under the State plan, defined at 42 CFR 440.170(a) (if applicable), and shall not replace them. Transportation services under the waiver shall be offered in accordance with the individual's person centered plan.

Whenever possible, family, neighbors, friends, or community agencies, which can provide this service without charge, will be utilized.

Service Limitation:

This service is limited to \$2000.00 per waiver year.

Additional Medicaid payment will not be made to provider agencies to provide transportation to and/or from the person's residence and the site of a habilitation service when payment is included in the established rate paid to the provider.

Documentation

1. If the trip is being billed by the mile rather than by an established charge, a record shall be maintained that documents the date the service is provided, the specific activity that the person is being transported to/from, and the mileage related to transporting the person. The person providing the transportation shall sign this record.
2. If the trip is being billed with an established charge per trip, the signature of a representative providing the transportation is required.
3. The individual's Plan of Care [POC] must reflect identified needs for transportation and corresponding outcomes.
